

OM 26/25

Sub: Uniform office timing in C-DAC – Amendment

It has been observed that extended flexi hours in office timing are resulting in a reduction of common working hours of employees in some of the C-DAC Centres. Also, the availability of employees in normal working hours i.e. 9.00 am to 5.30 pm is becoming a challenging issue.

Accordingly, in partial modification to the OM no. 22/25 dated July 7, 2025, it has been decided to reduce the existing flexi timing from 8.00 am. to 10.00 am. to 8.30 am. to 10.00 am. The office timing shall continue to remain the same i.e. 9.00 am. to 5.30 pm. as per OM 18/25 dated June 16, 2025.

The corporate office shall maintain the flexi hours from 8.30 am to 10.00 am. However, considering the centre specific work exigencies and other departmental limitations, Executive Director / Centre Heads, may decide upon the flexi timing between 8.30 am to 10.00 am as per their need.

It may be noted, that the objective of flexi timing is only to facilitate employees to manage unforeseen city conditions, such as traffic jam, personal incidents etc. on day to day basis, beyond control and should generally not be taken as a matter of right.

In addition, an employee is allowed late coming to office by 60 minutes (after 10.00 am.) for maximum up to two occasions in a month. However, late coming exceeding two times will result in to deducting of half day leave (CL), for each day of late attendance. Early leaving is also to be treated in the same manner as late coming.

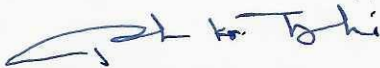

Under all circumstances, employees are required to work for not less than 8 hours 30 minutes (including lunch break) on any working day.

Further, an employee can also avail one 'short leave' of maximum for two hours on any day in a month, with the permission of respective FLA/HoD, for which provision will be available in iHRMS.

All other contents of the OM 18/25 shall remain unchanged.

This shall come into effect from the date of issuance of the Office Memorandum.

This is issued with the approval of the competent authority.
